A MONTHLY GUIDE BY SATVATMA • THE PURE SOUL

01 • THE MONTH'S ENERGY

November 2026 carries the Universal Month vibration of 12/3. In traditional numerology, 3 is linked with communication, creativity, learning, visibility and the sharing of wisdom.

This month invites you to express ideas clearly, strengthen connections, develop skills and bring creative plans into the open.

THEMES TO WATCH

Communication • Learning • Career visibility • Creativity • Networking • Relationships • Spiritual growth

THE MONTH'S MESSAGE

Your words, knowledge and actions can open new doors. Use this expressive energy with clarity and purpose.

02 • FIND YOUR PERSONAL MONTH

Read your numbers in this order:

BIRTH NUMBER → PERSONAL YEAR → PERSONAL MONTH

Birth Number: Your birth date gives your core vibration. For example, 19 becomes 19/1.

Personal Year: Add your birth day, birth month and the digits of 2026, then reduce according to your numerology method.

Personal Month: Personal Year + Universal Month. For November, add 3.

EXAMPLE • PERSONAL YEAR 8

8 + 3 = 11/2. Read with Birth Number 19/1: leadership + business focus + intuition and partnerships.

BIRTH NUMBER 1 • GOVERNING ENERGY: SUN

Born on 1, 10, 19, 28

Leadership • Recognition • Independence

November encourages you to take initiative, make confident decisions and move forward with plans that have remained stagnant. Career advancement, business development, personal branding and recognition may become important themes.

OPPORTUNITIES

Career advancement; business initiatives; personal branding; leadership opportunities; greater confidence.

CHALLENGES TO WATCH

Avoid impatience, ego clashes and trying to control every outcome.

TRADITIONAL REMEDY

Offer water to the Sun in the morning; wake before sunrise; respect your father, mentors and authority figures; use saffron, gold or copper tones.

YOUR BIRTH DATE • MONTHLY INSIGHTS

1 | PURE SOLAR VIBRATION

Progress is closely linked with personal effort. Focus on new beginnings, career advancement, confidence and launching a venture. Lesson: Stop waiting for the perfect moment—take the first step.

10 | WHEEL OF FORTUNE

Past situations or unfinished matters may return for review. Financial, relationship or business developments may be unpredictable. Lesson: Recognise recurring patterns and learn from previous choices. Remedy: Feed birds, donate wheat on Sundays and avoid manipulation.

19 | KARMIC SUN OF VICTORY

Previous effort may receive recognition. Leadership opportunities and support from authority figures may emerge. Warning: Do not let pride block progress. Remedy: Perform silent charity on Sundays.

28 | PARTNERSHIP KARMA

Business alliances, marriage dynamics, trust and loyalty may need attention. Choose associations carefully and avoid complete dependence on others. Remedy: Balance Venus and Sun practices through Friday and Sunday worship.

BIRTH NUMBER 2 • GOVERNING ENERGY: MOON

Born on 2, 11, 20, 29

Emotions • Relationships • Intuition

Relationships, family and emotional balance come into focus. You may feel more receptive to other people's emotions, while intuition may influence personal decisions. Honest conversations can help resolve misunderstandings.

OPPORTUNITIES

Family harmony; relationship repair; emotional understanding; intuitive awareness; inner healing.

CHALLENGES TO WATCH

Avoid overthinking, emotional dependency and reacting before understanding the situation.

TRADITIONAL REMEDY

Practise Shiv Abhishek, Moon meditation and peaceful reflection; spend time near water when possible.

YOUR BIRTH DATE • MONTHLY INSIGHTS

2 | PURE MOON VIBRATION

Family matters and emotional connections may need attention. Relationships can improve through honest communication. Lesson: Understanding your emotions is the first step toward clarity.

11 | MASTER INTUITIVE NUMBER

Dreams, intuitive feelings and spiritual curiosity may become more noticeable. Avoid anxiety and mental overload. Remedy: Practise grounding meditation regularly.

20 | JUDGEMENT NUMBER

A period of reassessment may bring past decisions and relationships into focus. Lesson: Listen to your inner voice before taking important action.

29 | EMOTIONAL KARMA NUMBER

Trust, attachment and unresolved emotional wounds may require attention. Focus on healing rather than holding on to resentment. Remedy: Moon chanting and forgiveness meditation.

BIRTH NUMBER 3 • GOVERNING ENERGY: JUPITER

Born on 3, 12, 21, 30

Knowledge • Communication • Expansion

The month's 3 vibration resonates with this group. Teaching, writing, coaching, marketing, content creation and networking may create openings. Share your knowledge and make your ideas visible.

OPPORTUNITIES

Teaching and coaching; social media; writing; marketing; networking; professional visibility.

CHALLENGES TO WATCH

Avoid scattered attention, overpromising and taking on more than you can complete.

TRADITIONAL REMEDY

Offer prayers to Guru or Brihaspati, donate yellow items and respect teachers, mentors and elders.

YOUR BIRTH DATE • MONTHLY INSIGHTS

3 | NATURAL TEACHER

Knowledge and guidance can become valuable assets. Teaching, mentoring and communication may create opportunities. Lesson: Share what you know.

12 | SACRIFICE-WISDOM NUMBER
